Strongly disagree	Disagree	Undecided	Agree	Strongly Agree
			4	5

8. Would you recommend this workshop to a friend?

Yes	8
No	0

**Comments:**

- everyone should understand relationship violence.
- because it should be known by all.
- It is informative.
- Very informative in the early warning signs of abuse.
- All people need to know about resources.
- Because it is good to have the expanded awareness of domestic abuse.
- Informative.

- Because the resources are out there.
- Because sometimes what one thinks is “normal” really is not.

**9. Do you think all students at DeAnza should participate in this workshop before they graduate/leave?**

Yes	9
No	0

**Comments:**

- to bring awareness.
- It is so important to know.
- It is important to know what to look out for.
- It can help them have information.
- Because it is good to have the expanded awareness of domestic abuse.
- Informative/awareness.
- Because just like sexual harassment, it should be known.
- To be aware of unhealthy relationships.

**10. If you could change anything about the workshop, it would be:**

**Comments:**

- nothing.
- to actually see the full video; bummed the machine had problems with disc.
- N/A.
- Update more on both male & female.
