To: Curriculum Office

From: Clare Nguyen

Date: 1/11/19

Re: CIS 18C Title Change and CIS 40 Textbook Change:

1. CIS 40 - Introduction to Programming in Python:

Change textbook from:

Briggs, Jason: Python for Kids - A Playful Introduction to Programming. No Starch Press. ISBN: 978-1-59327-494-8. 2012

to:

Downey, Allen: Think Python. O'Reilly Media. ISBN: 978-1491939369, 2015

This is a good, open source textbook that allows the class to have "no cost" status. All current CIS 40 instructors approve and use it. I would like to make the change on ECMS because it's getting cumbersome to remind each new instructor of CIS 40 to use the new book and not the one in the course outline.

2. CIS 18C - Shell Programming:

Change course title from 'Shell Programming' to 'Bash Scripting'.

This is a course that's existed for a long time when there were multiple shells that were used in industry. More recently the bash shell has become the dominant one, and we believe the name change will attract more attention and therefore more students to the class, even though the theory taught in the class will remain the same.

RE: Change in Nursing Department Course Number Changes Request (now effective Fall 2020)

This memo shall serve as notice to the Curriculum Committee of the agreement between the Curriculum Office and the Nursing Department.

The following Nursing Department course change requests were approved on 11/6/2018 and were to go into effect in Fall 2019:

- NURS 81
- NURS 81L
- NURS 81P (renumbered NURS 91P)
- NURS 82 (renumbered NURS 92)
- NURS 82L (renumbered NURS 92L)
- NURS 82P (renumbered NURS 92P)
- NURS 83 (renumbered NURS 93)
- NURS 83A (renumbered NURS 93A)
- NURS 83AL (renumbered NURS 93AL)
- NURS 83L (renumbered NURS 93L)
- NURS 83P (renumbered NURS 93P)
- NURS 83PL (renumbered NURS 93PL)
- NURS 91A
- NURS 91AL
- NURS 91B
- NURS 91BL

(Note: yellow = delete course; green = 5-yr. revision with number change; blue = new courses)

After an in-depth discussion with the Nursing Department Chair and faculty, it was determined that the best course of action to benefit the college and our students would be to completely phase out the old course number sequences before marketing/communicating the new course number and content changes. Therefore, the above-identified changes will now be effective in

RE: Web Test Engineering Certificate of Achievement not approved by State
Chancellor's Office

This memo is to inform the Curriculum Committee and the Computer Information Systems Department that the "Web Test Engineering Certificate of Achievement" (locally approved on 5/1/2018 to be effective in Fall 2018) has been rejected by the State Chancellor's Office due to insufficient documentation provided by the Computer Information Systems Department. Therefore, this certificate is invalid at this time and cannot be offered unless it is resubmitted through the certificate/degree processes established by the college.

Regards,

Mary K. Clark-Tillman

Re: ESCI 20 - Renumbering and Changes to Transfer/GE Status

Revisions to ESCI 20 (Introduction to Biodiversity) were approved by the Curriculum Committee on October 2, 2018. Based on these revisions, ESCI 20 (new title: Restoration Ecology) will no longer be UC transferable and have transfer GE status, CSUGE (Area B2/3) and IGETC (Area 5B/C), effective fall 2019.

I am requesting the course be renumbered from ESCI 20 to ESCI 60 to reflect its transfer status, and that the course be removed from CSUGE and IGETC patterns effective fall 2019.

Re: Title Change for CIS 64E, effective fall 2020

I would like to request updating course name for CIS 64E from "Large Scale Data Processing" to "Fundamentals of Large Scale Cloud Computing".

Reason for change - Marketing with a newer title will be more in line with course content and encourage enrollments.

b. **MEMORANDUM**

Date: April 25, 2019
To: Curriculum Committee
From: Edmundo Norte, Dean of Intercultural and International Studies
Subject: ICS 19 Title Change and Course Description Modification

Please accept the following changes to ICS 19. That class is a core course for the Certificate in Leadership and Social Change. Enrollments in this class have been low, and we are hoping to increase enrollment in a number of ways, one of which is to make modifications in the language to make the class sound more engaging. We want to make the title and description more appealing to students, while remaining true to the content and without losing articulation. Therefore we are asking for permission to make the following changes:

Current:

Title: Justice, Nature and the Geographies of identity
Description: An exploration of natural, cultural, social, and political transformations through the lens of social and environmental justice. Analyzes contemporary social issues through local examples. Engages students in community-focused problem solving and personal reflection.

Change To:

Title: Making a Difference: Transforming Relations of Nature, Community, and Power
Description: An exploration of the relationships between nature, community, and power and their

influence on political struggles and social movements. Engages students in community-focused problem solving, personal reflection, and career exploration. Uses local examples to explore broader principles.

Thank you for your consideration.

RE: New department creation and course number changes for Asian American and Asian Studies Courses (effective Fall 2020)

Due to the Intercultural Studies Department lack of available course numbers for UC articulated courses, and the creation of new Asian American Studies courses requesting UC articulation, I informed the Division Dean and Department Chair of the option to create a new department and renumber their (ICS) Asian American Studies courses into this new department. The Acting President and Acting VP of Instruction were also made aware of this suggestion.

The new department in the Intercultural/International Studies Division will be named, "Asian American and Asian Studies," and have the department code "ASAM". The course renumbering of existing ICS/INTL courses will be as follows:

OLD #	COURSE TITLE	NEW #
ICS 20	Asian American Experiences Past and Present	ASAM 1
ICS 21	Introduction to Pacific Islander History and Culture	ASAM 31
ICS 22	Contemporary Asian American Communities	ASAM 10
ICS/ELIT 24	Asian Pacific American Literature	ASAM 20
ICS 55	Civic Leadership for Community Empowerment	ASAM 50
INTL 11	Vietnamese Literature (from Tradition to Asian American Identity)	ASAM 32
INTL/HUMI 13	Introduction to Korean Popular Culture	ASAM 41
INTL 10/ARTS 2G	History of Art: Arts of Asia	ASAM 40
INTL/HIST 19A	History of Asian Civilization (to 19th Century)	ASAM 42A
INTL/HIST 19B	History of Asian Civilization (19th to 21st Century)	ASAM 42B

The new department and course renumbering will be effective starting Fall 2020.

Regards,
Mary K. Clark-Tillman

From: Renee Augenstein, Articulation Officer
Re: POLI/SOSC Course Number Change – effective fall 2019

On June 12, 2018 the Curriculum Committee approved POLI/SOSC 6A (Introduction to Community Organizing), POLI/SOSC 6B (Intermediate Community Organizing), and POLI/SOSC 6C (Advanced Community Organizing) for fall 2019. Course numbers were conditionally assigned to the sequence based on the initiator's request for University of California (UC) transfer status. Unfortunately, we are still waiting on UC's decision so POLI/SOCI 6A, 6B, and 6C must be renumbered to POLI/SOSC 60A, 60B, and 60C, effective fall 2019. If all or part of the sequence is approved for UC transfer at a later date, I will request retroactive approval to fall 2019.

4. **ACTION CALENDAR (effective fall 2020 unless otherwise noted):**

*If a course is passed by the Curriculum Committee, it is “**conditionally approved**” pending Curriculum Committee required and/or recommended changes and final submission of the course and all required forms to the curriculum office. Initiators have **ONE WEEK** from the date of the conditional approval to submit the final version.

3. **CONSENT CALENDAR (effective fall 2020 unless otherwise noted):**

To: Members of the Curriculum Committee
From: Catherine Hrycyk, Director of Nursing

Date: May 10, 2019

Proposed Course Changes:

Course Number	Current Units	Current Hours	Proposed Units	Proposed Hours
NURS 91BL	2.5	7.5	2	6.5
NURS 92L	5	15	4.5	14
NURS 93AL	2.5	7.5	2	6.5
NURS 93L	2.5	7.5	2	6.5
NURS 94AL	2.5	7.5	2	6.5
NURS 94L	2.5	7.5	2	6.5
NURS 95L	5	15	4.5	14
NURS 96L	5	15	4.5	14

Rationale for change:

The California Board of Registered Nursing per the California Code of Regulations (CCR 1426) has directed all Associate Degree Nursing programs to reduce the number of nursing units to 54-56 total units. Specifically the aim is to have required theory and clinical units number 27 units each. To become compliant with this mandate, the above changes are requested. The course outlines of record will not need to be changed, as there will not be any change in objectives or learning activities. The unit proposed change in units and hours will be accommodated by shorter clinical conferences not affecting the essential patient care experiences.

RE: Courses not meeting the annual curriculum deadline for the 2018-19 year to be offered in the 2020-21 catalog

The following courses did not meet our annual curriculum deadline for the 2018-19 year to be offered in the 2020-21 catalog/academic year. A formal deletion memo, nor extension request, was submitted by the May 1st deadline.

- CIS 75E - Enterprise Emergency Response Planning
- ELIT 19 - Introduction to Bible as Literature (GE)
- ELIT 44 - International Literature (Fiction) (GE)

- FREN 5 - Intermediate French (Second Quarter) (GE)
- FREN 6 - Intermediate French (Third Quarter) (GE)
- GERM 5 - Intermediate German (Second Quarter) (GE)
- GERM 6 - Intermediate German (Third Quarter) (GE)
- ICS 12 - An Introduction to African American Literature (GE)
- ICS 16A - History of Africa to 1800 (GE) ; cross-listed w/HIST 16A

DE ANZA COLLEGE CURRICULUM COMMITTEE MEETING

- ICS 16B - History of African from 1800 to Present (GE) ; cross-listed w/HIST 16B
- KNES 12J, 12JX - Intermediate Tai Chi (GE)

Per the annual Curriculum Office processes for courses not meeting the annual deadline, we are requesting that these courses be removed from the 2020-21 course catalog offerings for a period of one-year. The departments/divisions can submit these courses by the next annual curriculum deadline on **May 6, 2020** to be reactivated in the 2021-22 course catalog offerings. If these courses are not submitted by the next deadline, then they face permanent deletion/removal from future course catalog offerings.

Because the following courses failed to meet a second deadline, my office is requesting that this course be **permanently deleted** from our course offerings, effective in the 2020-21 course catalog:

- E S 93 - Sustainability Across the Curriculum
- ICS 28 - Social Environmental History (GE) ; cross-listed w/HIST 28
- MATH 201 - Pre-Algebra Refresher
- MATH 202 - Beginning Algebra Refresher
- MATH 203 - Intermediate Algebra Refresher

Should you have any questions, please feel free to contact my office. Thank you in advance for your cooperation and understanding in this matter.

Regards,
- signed by Mary K. Clark-Tillman
